Chairperson

Sushrutam Utikal Health & Educational Charitable Trust, BBSR

Greetings !!!

FROM THE TRUSTEE

Dear Applicants, Sushrutam Utikal Health & Educational Charitable Trust, Bhubaneswar has been serving mankind since 2016 Nursing, Physiotherapy & Pharmacy was introduced in 2019. Adapting the principles of innovation and passion for excellence, the institute has set a unique tradition in the field of education. I am indeed happy to say that we, at the Sushrutam Utikal Health & Educational Charitable Trust, BBSR have adopted excellent educational practices and teaching methodologies. This is possible only because excellent facilities like well equipped laboratories and physical exercise center, well managed resource center, modern auditorium, conference facilities and classrooms well equipped teaching aids, etc. The ambience of the Institute is student friendly and the students have always been our first priority & for their education growth, we recently inaugurated 3 health allied courses in Chandikhol and Balasore as well. I welcome you to our Group of Institution and wish you the best of luck for admission and career in vastly expanding health science arena.

Bijay Kumar Pradhan

President

Sushrutam Utikal Health & Educational Charitable Trust, BBSR

FROM THE TRUSTEE

My dear young students, **EDUCATION HAS FIVE FACETS**- Information, Innovation, Concept, Imagination and Responsibility. It is my privilege to share my views through this brochure, the best media to connect the young and enthusiastic minds. The institute presents an education system that goes beyond chalk and talk, we believe in imparting our students with the basic as well as advanced knowledge of all the subjects along with their technical details. Teaching at our Institutes is not only been confined to a few standards and patterns but most of the courses are integrated with on-field training exposures, clinical postings at hospitals, interactive interactions with faculties, expertise, conferences, workshops, seminars, symposiums and thus students have a good practical exposure and more importantly they learn how to deal with the patients. Keeping in mind the institute's mission of academic excellence, is always continuing its inexorable developmental activities. This is reflected by the consistent expansion of infrastructure, faculty, research contributions National as well as International linkages & collaborative initiatives. I wish all the students great success ahead.

Our Mission

Our mission is to provide innovative Health Allied education, conduct research that advances the practice of Nursing, Physiotherapy & Pharmacy providing high standards of health.

Our Vision

- Contribute to best practice standards and improve health care
- Create innovative health program
- Promote the provision of ethical, efficient, and cost effective Health Allied service
- To increase/ enhance educational and research programs.
